THE REFLECTIONS FOUNDER

MITCHELL CHASIN, MD
Founder & Medical Director

Dr. Chasin is the Medical Director of Reflections Center for Skin and Body. Dr. Chasin received a BA in Biology and Psychology from the University of Rochester in Rochester, NY in 1981 where he graduated Magna Cum Laude and was

A large image on the left shows a treatment room with a patient on a bed and medical equipment. A smaller image on the right shows a hallway with a patterned wall and a sofa area.

The screenshot shows the interior of the Reflections Center for Cosmetic Medicine. The lobby features a curved reception desk with a dark wood finish and a granite countertop. Behind the desk is a large, ornate mural on the wall. The room is well-lit by several pendant lights hanging from the ceiling. In the background, a doorway leads to another part of the facility.

We are known, above all, for providing noticeable, natural-looking cosmetic outcomes. Our sizable investment in technology and our unwavering commitment to providing our patients with the best and most current treatment options allow us to match each individual with the perfect course of care.
